Dormobile Classic Roof Conversions

Classic side elevating roof mounted onto a standard VW Split Screen or Bay Window. Unlike most roof conversions on the market due to the Dormobile roof being side elevating you can enjoy spacious head room.

The fibreglass roof cap is finished in a gloss white and comes as standard with two fixed clear windows, and two opening vents.

A choice of canopy colours are available in white, yellow, blue, grey etc. (candy stripe £150.00 extra).

You can add the option of two roof bunks manufactured in mild steel (painted grey like the original). Black tinted opening windows instead of fixed windows, carpet lining the cap to help remove condensation and the option of curtain track and mirror. See prices below.
