

LAND ROVER SERIES
DORMOBILE PARTS LIST JANUARY
2018
FOR UK AND EU REGION

***NEW REPRODUCTION PARTS FOR YOUR
ORIGINAL LAND ROVER DORMOBILE
FROM SINKS TO SEALS***

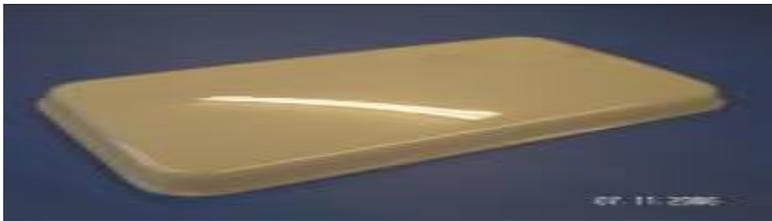

DORMOBILE LIFTING ROOF PARTS **UK & EU REGION**

Replacement Dormobile roof cap

Available for all models our new moulds are produced with alloy insert plates and strengthening. Cut outs can be made for original rubber seal fixed glass windows or for our opening sun hatch alternatives. The inside of the roof caps are flow coated white to provide a good looking finish when raised

£665.00

Roof vent covers (Colour of covers – opaque white)

Made from the original pattern, our vent covers are manufactured in almost unbreakable white polycarbonate. They are UV stable and will not easily yellow and become brittle. Drilling this material is easy as it is soft and will not crack.

£68.50

Roof vent rubber seal

Manufactured from black silicon rubber, these are reproductions of the originals supplied with a white felt insert to keep out draughts. When fitting use contact adhesive in corners.

£26.50

Roof vent opening mechanism

Very close in design to the original fitting, these mechanisms are made from non-rusting aluminium, stainless steel & brass. They have a single adjusting wheel and will fit as direct replacement.

£47.50

Roof vent hinges

A slightly different hinge from the factory item, made from solid stainless steel. The hole centres vary slightly from the original hinge.

Sold as a pair

£11.00

Set of mouldings/canopy hold downs

Like the original Mouldings that hold the canopy to the vehicle roof and fibreglass cap made of aluminium.

£195.00

Roof Frame

Like the original, a reinforcing roof frame that sits in the hole made in the vehicle roof.

£255.00

Roof glass

Made from the original pattern, Toughened glass to fit original roof cap

£50.99

Roof glass seal

Sold per window, this is a two part seal incorporating a rubber infill section. The rubber used for this seal is very soft enabling the seal to fit the tight corners of the window aperture.

£19.99

Roof glass seal glazing tool

This tool enables fitting of insert/filler strip into main section of the window seal.

£11.99

Roof cap edge trim

This tough black edge trim (3 sides only) prevents your roof cap from cutting a hole in the vehicle steel roof panel.

Available in two forms:-

Standard U-shaped trim

£21.50

Trim with round soft rubber extrusion added

£25.50

Complete roof cap lifting arm assembly

Supplied with two new spiral assistor springs these assemblies are manufactured in stainless steel and have spring button locking. Top bracket and mounting bolts are included. **(priced as a set)**

£340.00

Lift arm spring pin

These spring pins or buttons can be used to replace the rocking strut catch normally fitted.

£3.50

Spiral springs for lifting arm

New blued spiral springs to replace tired items in your roof lifting arms. Two per lifting arm required. **Sold as a pair**

£65.99

Extreme care is needed when replacing these springs. Our advice would be to get an experienced fitter to replace these items.

Centre roof lifting handle

The original mild steel item rusts under the plastic coating. This replacement made in stainless steel.

£155.00

Centre roof plastic lifting handles

Two plastic handles in place of the stainless steel handle. We use these on our current Land rover roofs. **£15.50**

Roof cap hinges

Supplied as a set of three, these plain stainless steel hinges can be drilled to match the hole pattern of both the vehicle roof and the roof cap. Will fit both Split and Bay models however, will need gentle bending to match the roof curve of either model. **£35.00**

GRP rear roof gutter moulding

A new issue of the original fitted to the rear of the roof cap to prevent any water dripping over the back door. **£60.99**

Roof cap centre mirror

Matches original hole mountings and supplied with new screws and chrome caps **£21.50**

Replacement roof canopies

If you need you need to replace your canopy, we can supply a new Candy Stripe canopy matching the original green or red thin stripes. Our canopy material is fire retardant, slightly thicker and has a tighter weave to the coated fabric, making it more resilient than that fitted originally. Canopies are also available in the plain colours and made of the same material as the Candy Stripe version. Velcro straps for attachment to roof hoops and fitting advice supplied.

Candy Stripe Red or Green	£395.00
Plain colours (White, Royal Blue, Bright Yellow, Silver Grey and various)	£320.00
Special canopy/colour match	£415.00

Canopy repair kit

Possibly saving the need to replace the canopy, our repair kit contains two patches of good condition original canopy material together with a tube of the same PVC cement we use to make our new canopies.

Available in Red or Green Candy Stripe	£17.50
--	---------------

Roof bunk material

UV stable, mildew resistant, these covers are available in a wide range of colours, all by special order. Sold as a pair, these covers are tapered to match the bunks.

£125.00

Bunk set (zinc plated)

Reproduction of the originals with a choice of bunk cover colours

£765.00

Stainless steel roof hoop set

Made from 10mm Stainless Steel tube and supplied with stainless steel mounting brackets and stainless fixings. These hoops will not leave rust marks inside your new canopy.

£499.99

Please be aware that due to the awkward shape of these hoops they will be shipped in sturdy wooden packaging and a higher carriage charge will occur. Please check cost when ordering.

Roof Securing Latches

Stainless steel over centre latch with catch plate and stainless stand off plate. Can be secured with spring pin or padlock. Sold as a set

£61.50

OTHER PARTS FOR YOUR DORMOBILE

Silent Gliss curtain track

Aluminium track with a small flange to enable drilling and fitting with standard small screws, This is 1.3 metres in length and comes as part of a pack with 2 curtain track stops, 4 fixing screws, 25 curtain hooks and 25 curtain track sliders with loop **£25.50**

Black ribbed floor mat

Thick fine ribbed rubber floor mat, width 1.22m sold by the metre **£10.50**

Turn locks and Pop studs

Large single chrome turn lock with twin screw base fixing. These are used to secure inside roof cap straps and for the bunk cover sheets. Turnbuckle. **£1.50**

Eyelet and Washer **£1.00**

Chrome Pop stud for fixing original curtains to windscreen, and can be used in various other places. Supplied with attached screw in base. **£1.00**

As above but for attaching to fabric **£1.00**

Simple punch and anvil for assembly of pop studs **£24.99**

Dormobile Badges

Dormobile 'Big D' badge, an acrylic black silver and white badge.

£9.50

Bay door badge infill, made to fit into small rectangular silver badge housing. This has the word DORMOBILE in silver letters on a black background.

Out of stock

chrome letter badge. This can be removed using very small s/steel screw fixings.

£31.99

Aluminium Dormobile manufacturers plate. Similar to the Bay window stick on production label with space for manufactures production number to be stamped if known.

£25.99

Dormobile sticker

This is a Dormobile sticker we supply to put on new conversions.

£4.50

Polyurethane Sealer

Available in black or white, this is the only type of sealer to use. Unlike silicon PU has adhesive within its mix to ensure it will not peel away in time. Wipe off while wet with White Spirit. For use with mastic gun.

£14.75

Carpet

Automotive grey or black velour carpet with coated back NOT foam back. Roll width 1.5m can be applied with carpet contact adhesive spray. Sold by the roll metre.

£8.50

Dormobile telescopic tap

As originally fitted to Bay window sink

£36.99

Twist and fold tap

A variation on the above, this tap folds itself into the basin so that a sink cover can be fitted. Not original to VW Dormobile but useful in non standard layout.

£36.99

Dormobile reproduction sink moulding

A copy of the original acrylic sink fitted into the Martin Walter kitchen unit

£47.99

Replacement plug

£1.20

Sink drain assembly with plug

£3.74

Over kitchen unit shelf/ roof storage locker

As fitted in the original Martin Walter conversion.

£155.00

Fitted with locking door

£175.00

Martin Walter Door mounted table assembly

A copy of the original supplied with all mounting and storage brackets. Table top in fleck grey hard faced plastic board

£325.00

Kitchen Unit

This grey kitchen unit is a copy of the original item fitted in the Martin Walter conversion. Complete with fitted sink and alloy patterned hob and sink covers. Ready for modern stainless hob/grill unit or source an original Stoves or Radford enamel hob/grill

£2400.00

Martin Walter wardrobe unit

Matches above unit in the same grey powder coated finish. Supplied complete with internal mirror, sliding bolt catches and pull out seat for use when cooking on the kitchen hob

Out of stock

Martin Walter under floor gas bottle cage

Can be modified for camping gaz 907. A welded steel copy of the original two bottle carrier that mounts on chassis member. Will accommodate propane or butane bottles

£289.99

Mains portable hook up unit

A removable mains 220/240v hook up unit to be used to connect to approved site mains supply outlets. Fully weather proof and Shock protected, two 13amp style plug sockets and heavy duty supply lead

£225.99

A selection of other products are available including customer water tanks, cabin heaters by Webasto, twin charge systems, 240v/12v inverters etc.

We can supply or carry out fitment of interior units.
