Replacement Dormobile roof cap

Available for Split Screen and Bay window models our new moulds are produced with alloy insert plates and strengthening. Cut outs can be made for original rubber seal fixed glass windows or for our opening sun hatch alternatives. The inside of the roof caps are flow coated white to provide a good looking finish when raised

£665.00

Set of mouldings/canopy hold downs

Like the original Mouldings that hold the canopy to the vehicle roof and fibreglass cap made of aluminium

£165.00

Roof Frame

Like the original, a reinforcing roof frame that sits in the hole made in the vehicle roof.

£375.00

Roof vent covers (Colour of cover – opaque white)

Made from the original pattern, our vent covers are manufactured in almost unbreakable white polycarbonate. They are UV stable and will not easily yellow and become brittle. Drilling this material is easy as it is soft and will not crack. Supplied with the required stainless steel fixings.

£41.25

Roof vent rubber seal

Manufactured from black silicon rubber, these are reproductions of the originals. These are supplied with a white felt insert to keep out draughts. When fitting use contact adhesive in corners.

£15.99

Roof vent opening mechanism

Very close in design to the original fitting, these mechanisms are made from non-rusting aluminium, stainless steel & brass. Will fit as a direct replacement.

£47.50

Roof vent hinges

Sold as a pair, these solid polished stainless steel hinges are a replacement for the original plain brass butt type hinges.

£11.00

Roof glass

Made from the original pattern, Toughened glass to fit original roof cap

£50.99

Roof glass seal

Sold per window, this is a two part seal incorporating a rubber infill section. The rubber used for this seal is very soft enabling the seal to fit the tight corners of the window aperture.

£19.99

Roof glass seal glazing tool

This tool enables the fitting of the insert/filler strip into main section of the window seal.

£11.99

Roof cap edge trim

This tough black edge trim prevents your roof cap from cutting a hole in the vehicle steel roof panel.

Available in two forms:-

Standard U-shaped trim

£21.50

Trim with round soft rubber extrusion added

£25.50

Rubber roof securing straps

These items are what is required to hold the roof down when not in use.

Extreme care is needed when replacing these springs. Our advice would be to get an experienced fitter to replace these items.

Centre roof lifting handle

The original mild steel item rusts under the plastic coating. This replacement made in stainless steel.

£155.00

Roof cap hinges

Supplied as a set of three, these plain stainless steel hinges can be drilled to match the hole pattern of both the vehicle roof and the roof cap. Will fit both Split and Bay models however, will need gentle bending to match the roof curve of either model.

£35.00

Roof cap centre mirror

Matches original hole mountings and supplied with new screws and chrome caps

£21.50

Replacement roof canopies

If you need to replace your canopy, we can supply a new Candy Stripe canopy matching the original green or red thin stripes. Our canopy material is fire retardant, slightly thicker and has a tighter weave to the coated fabric, making it more resilient than that fitted originally. Canopies are also available in the plain colours and made of the same material as the Candy Stripe version. Velcro straps for attachment to roof hoops and fitting advice supplied.

Candy Stripe Red or Green
